- Roll Call
- Secretary's Report and Approve Prior Meeting Minutes

approved November minutes motion by J Rodaer, Second D Brown motion passed with one abstention

- Treasurer's Report (Fire Dept Town Budget Report)

none

- Correspondence if Any

letter for float test for SCBAs has to be done, testing is overdue

Motion by P Behrens to due annual float test SCBAs paid by FD budget, second B Step, passed

Motion by P Behrens to check and hydro test Cascade system paid by FD budget, second D Brown, passed

### Old Business

- Grants Update: AFG status

in process of being submitted, new information has to be submitted

sam.gov and grants.gov websites had updates that require us to update information

- Apparatus Maintenance Update: called for emergency lights

for ambulance- emergency light, mechanic originally obtained can't get here until end of month, the mechanic suggested some things we could try on our own and also that we might want to contact another mechanic, P Behrens suggested Victor Ghee from Woodruff-EVS (Emergency Vehicle Services) or someone from Pomasl in Antigo,

motion to attempt a fix in-house within one week, if not successful or accomplished call EVS to make repairs after one week paid by FD maintenance budget by D Brown, Second B Step approved

- Equipment/Facilities Maintenance Update: Standpipe measure, air line for 704, et cetera measure the standpipe to get equipment

airline- Bruce was supposed to look at it

workday/cleanup day designated the 14th

D Brown and D Lenehan will work on ambulance lights this weekend, P Behrens will look at standpipe

- Purchases & Donations Update

- AEDs on order

delivered and will be installed shortly, target date this Saturday

- Radio?

on order will be here in a week or two, radios in United States, not cargo container ship

- Lights on order

Vender has submitted an invoice for the Bay Lights, the invoice sent but we had not decided on a payment method (Friends or FD budget), P Behrens reminded us that this was previously discussed

Previous minutes suggested that the Town was in the process of considering upgrading the Town's building with considerations like generators, lights and other upgrades and that the Town was supposed to pay for lights P Behrens said submit invoice to Town. Cost was \$884 without tax exempt letter for lights

#### New Business

- 705 status

bread truck, what do we do with it  
 everything removed except cascade system  
 use brush truck in town garage for ice rescue  
 cascade in 705 is important to keep  
 unresolved what to do with 705 bread truck

- Secretary
- temporary secretary D Brown until formally approved
- current thermal imaging camera (TIC) not working and beyond repair replacement cameras are \$899 each and there are two brands recommended: Reveal and Flir, Reveal firePRO x or flir k1 cameras, recommend to put a camera in each of the following vehicles: engine, rescue truck, and ambulance motion to purchase 2 reveal firePRO x and 1 flir k1 cameras paid by Friends, Reveal TICs for engine and rescue truck, Flir TIC for ambulance, by P Behrens for \$2700 second D Brown, passed
