**SUBJECT: PUBLIC NOTICE
POTENTIAL EFFECTS ON HISTORIC PROPERTIES
WEC / LONG LAKE**

To Whom It May Concern:

WEC Energy Group is proposing to construct a 180-foot (199ft overall) self-support telecommunications tower located north of Halsey Lake Road/Oak Street in the Town of Long Lake, Florence County, Wisconsin. Approximate coordinates for the subject tower: 45 - 50 - 40.01N, 88 - 39 - 51.60W. Maps and photos of the proposed location are attached for your reference. This notification is being completed in accordance with FCC04-222 public participation requirements, and is not associated with the local zoning and/or permitting process.

The papers of record have been identified as the Florence Mining News and the Forest Republican. Public notice shall be posted in these papers in the upcoming edition. If additional avenues are required to satisfy the public notification provisions of the local zoning, please contact our office so we can make the appropriate arrangements.

This notice is to serve as an opportunity for members of the public to comment on the proposed telecommunications project with regards to potential effects on historic properties that may be located within one-half of a mile of the proposed site. Comments regarding historic properties may be submitted to the following contact as follows: Jake Rieb, Edge Consulting Engineers, Inc., 624 Water Street, Prairie du Sac, WI 53578, Phone: 608-644-1449, Email: jrieb@edgeconsult.com. This notice is provided in accordance with the regulations of the Federal Communications Commission, 47 C.F.R. Part 1, Appendices B and C.

Sincerely,
